

Volunteer Opportunities - Hammond Middle School PTA 2011 - 2012

You are invited (and greatly needed) to become involved in enriching the experience for our children and school staff through the various programs that the PTA supports during the year.

There are both at home **and** in school opportunities -- something for everyone. *Please check (✓) below to indicate your interest in a particular activity and provide your contact info, so we can keep you in the loop on ways to help out throughout the year.*

Thank you in advance as we greatly appreciate any time or assistance you can provide!
