

HMS PTA **ADOPT-A-STAFF PROGRAM** 2017-18

The HMS PTA is grateful for the wonderful staff (teachers, office personnel, custodians, and more) who teach, inspire, and guide our children.

We need your participation to help demonstrate this gratitude, and ensure the success of this super fun program!

How it works:

- We match a staff member with a family for the entire school year. If you prefer, you can pair up with another family to share a single staff member.
- We then give you an info sheet on your adoptee's favorite things, interests, and other info.
- You honor your adoptee **AT LEAST MONTHLY** with notes or treats to brighten their week.
- This is all done **ANONYMOUSLY** until you reveal your identity in June.

Your monthly commitment does not require high spending!

Some ideas to consider: note with funny joke, poem, fun fact, funny YouTube video title, birthday snack or favorite dessert, small gift card to coffee shop, bookstore etc., conference week survival pack, Dollar Store item for a holiday (i.e. Halloween, Thanksgiving, Valentines, etc); cool pen or other small teacher supply, flowers, or anything that lets them know they are appreciated!

Sign-up today!

It's a fun and easy way to show appreciation for HMS Staff, and we need **MANY** families to make this a successful program.

First come, first served!

We will do our best to honor requests for specific staff members. Adoption pairings will be sent out via email by the end of September.

THANK YOU FOR YOUR PARTICIPATION! HMS PTA POC Tami Baldwin (tamibaldwin@verizon.net)
