Please return to PTA mailbox by Friday September 14th.

HMS Staff Wanted for

Adoption

The HMS PTA is once again sponsoring the Adopt-A-Staff Program! This is a program in which HMS families are invited to 'adopt' a staff member for the year. Your adopted family will anonymously provide you with notes or treats throughout the year and their identity will be revealed to you at the end of the year.

To participate in this **super fun** program, please complete the attached **"Getting to Know Me" form**, with plenty of details to give your secret family an idea of what types of things you are interested in. Then place it in the PTA mailbox by **Friday, Sept. 14th**.

Want to acknowledge your adoptive family?

You can do this by email or handwritten note. Emails can be sent to tamibaldwin@verizon.net, and they will be forwarded to your secret family. Handwritten notes can be placed in a blank envelope, **with postage**, and **your name c/o HMS** in the return address area. Leave your note in the PTA mailbox and it will be mailed to your 'family'.

Questions? Contact Tami Baldwin at tamibaldwin@verizon.net or 443.878.3488.
